INTRODUCTION

Low Express Rates on Plants. I am shipping by express lines to all parts of the country, goods packed in crated boxes at a reduction of 25 per cent from the regular rates of merchandise. I always ship this way unless otherwise instructed—especially in the cool weather.

Plants of Any Kind Unless Otherwise Instructed. Terms of Business. Cash with order, please. Excepting parties with whom I have done business before, and transactions have been satisfactory; my terms are 30 days. Unknown correspondents wishing to ship an account will please furnish reference to parties in trade with whom they have had credit relations.

Remittances should be made by Post Office Money Orders, Drafts on New York Banks, or Bank of Long Island, or Express Money Orders. Where it is not possible to obtain these, the letter should be registered.

Non-Warranty. Although I continue to take all possible pains to supply only the best, I cannot give a warranty as to the productiveness or crop of the plant sent. Every order received for articles named in this list will be executed on these conditions only.

An Invitation. I cordially invite you to visit my greenhouses at College Point. My place lies across from the L. I. R. R. Depot at College Point and can be reached by taking the trolley at 59th Street, Queensboro, and 9th Bridge. Fare, 5 cents; no transferring. Get off in College Point at 4th Avenue and 13th Street and walk east 6 blocks to 19th Street up 4th Avenue. You can make it from Pennsylvania Station, 30th Street between 5th and 6th Avenue, in 20 minutes. My reputation in plant growing, especially in reference to any of the plants selected, is New York City's per capita in all classes of plants. We have over 100 kinds of house plants and over 1,000 kinds of greenhouse and outdoor varieties. Our plants are naturally grown and not forced and of a fine dark-green foliage.

Hoping to receive a part of your esteemed orders, and assuring you of the best of service, I remain, respectfully,
